KUNDE "MAGNOLIA LANE", SAUVIGNON BLANC, SONOMA, 2008

OR

DOUBLE T BY TREFETHEN, MERITAGE, NAPA, 2007

- Both Kunde and Trefethen's commitment to sustainable farming is based on certain fundamentals: building organic matter in the soil with cover crops, welcoming the natural predators of vineyard pests, controlling weeds by physical means, and encouraging natural air flow around the fruit. Most importantly, they constantly expand our their of organic viticulture techniques.
